

**MERCED COUNTY
BOARD OF SUPERVISORS**

**Excerpts from the regular Board of Supervisors Meeting
Tuesday, December 17, 2002**

Item: UC Merced Liaison Report:

Kathleen M. Crookham, Supervisor District Two, Board Liaison:

➤ **RELOCATION OF THE UC DEVELOPMENT OFFICE**

There is an item on today's agenda indicating the office space at the San Simeon Building where the UC Development Office is currently located has been sold and staff will be looking for a place to relocate. When a new location is determined, it is important that we notify the public of the new location.

➤ **UC MERCED CAMPUS SITE**

Presently, there is a lot of land movement at the campus site but other than that it is rather quiet since we are close to the holidays. It is anticipated the pace will pick up after the first of the year.

Item Concluded.
