INTRODUCTION	1
UNIVERSITY COMMUNITY DEVELOPMENT NEEDS FORECASTS	11
VISION FOR THE UNIVERSITY COMMUNITY	13
GOALS, OBJECTIVES, AND POLICIES	17
Community Development	18
Land Use—Creating a New Community	18
Housing—Providing Shelter for Community Residents	54
Economic Development—Creating a Vital and Successful Community.....	67
Community Infrastructure and Services	79
Transportation—Assuring Access and Mobility for the Community’s Residents.....	79
Water-Related Infrastructure—An Integrated and Sustainable System.....	96
Energy Infrastructure—Sustainable Electricity and Natural Gas.....	110
Telecommunications Infrastructure—Connecting in the Digital World.....	115
Solid Waste—Source Reduction and Recycling	118
Public Services	121
Schools—Educating Community Residents	122
Libraries and Cultural Facilities.....	127
Police and Fire—Assuring the Safety of the Community’s Residents.....	130
Health Care and Social Programs	132
Youth and Seniors.....	133
Parks and Recreation	135
Environmental Resources	141
Plant and Animal Resources	141
Agriculture	144
Cultural Resources	148
Topography.....	149
Viewsheds	150
Air Quality	152
Surface Water and Groundwater Quality	156
Public Safety	157
Public Safety	157
Noise	161
Aviation Safety	167
AREA PLAN	169
Agriculture—Sustaining the Region’s Paramount Resource	169
Lake Yosemite Regional Park—Sustaining Merced’s Most Important Recreational Asset.....	171
Relationship to the City of Merced	173
Relationship to Adjacent Uses	176
Area Plan—Relationship to UC Merced Campus Long Range Development Plan (LRDP)	177
IMPLEMENTATION PLAN	179
Implementation Programs	180
1.0 Master Development Process.....	180
2.0 Development management System.....	181
3.0 Governance I 90	
4.0 Public Improvement Plan.....	195

5.0 Public Services Plan	205
6.0 Financing Strategy	207
